The HDER Program is pleased to announce that Linda Bray of the San Diego HPS Chapter has joined the HDER Program as the lead HPS coordinator. In her role as lead HPS POC, Ms. Bray will facilitate the continued identification of POCs within the local chapters, reach out to new chapters to engage them in the program, and serve as a liaison between the volunteer HPS component of the HDER Program and its other constituent parts. Ms. Bray may be reached via telephone at (858) 826-9664 and via e-mail at [Linda.G.Bray@saic.com](mailto:Linda.G.Bray@saic.com).

All members interested in learning more about the HDER Program and how to support it are encouraged to attend the next iteration of the HDER HPS Volunteer Training, which will be held during the HPS Annual Meeting this summer (July 11-15) in Washington, D.C.
